Welcome to Northville's Fourth of July!

Northville has a long history of celebrating Independence Day in style and this year's Parade, presented by the Northville Chamber of Commerce, will continue that tradition. The theme, *Traveling the U.S.A.*, will be reflected in the floats, music, decorations, and especially the vintage cars.

Our historic streets have hosted many parades and events over the years, delighting residents and guests (as many as 5,000 came by stagecoach, train and trolley in 1895). I encourage you to spend part of your visit strolling the area, envisioning the celebrations of the past and appreciating the beautiful Victorian architecture.

I also invite you to explore Mill Race Village, our living history museum on the banks of the Rouge River. There you will find patriotic activities for the whole family after the parade, a large play area, and scenic shady areas on the grounds for a cooling break.

The downtown stores and restaurants offer a wide variety of unique gifts and dining options – there's something here for everyone. We also have live music on Friday and Saturday nights and dancing on Wednesday evenings. The Social District is a popular destination any night of the week.

As Mayor of the City and on behalf of the citizens of Northville, I welcome you to our town. We're happy you're here and look forward to seeing you throughout the summer!

Keep that Northville July 4th Faith,

A stylized, cursive signature of Brian Turnbull.

July 4, 2022

On behalf of the Northville Township Board of Trustees, I want to wish everyone a happy and safe Independence Day.

We are honored to participate in the Northville Chamber of Commerce's annual Fourth of July parade.

This day is a chance to mark our nation's birthday and to reflect on the values that we hold so dear: That all are created equal and endowed with inalienable rights of life, liberty and the pursuit of happiness.

Those of us entrusted to hold local elected office, remain ever mindful that governments at all levels derive their just powers from the consent of the governed. We work each day to deliver a township government that embodies the values of Northville Township and its residents. Thank you for that opportunity.

We are thankful to live in a nation committed to self-government and individual rights and in a community as blessed as Northville Township. We have a great relationship with the City of Northville and all of our surrounding communities. Working together, we have created something wonderful. Northville Township is a terrific place to live, work, play and partake in a parade.

Again, a very happy and safe Independence Day to all.

Sincerely,

Mark J. Abbo
 Northville Township Supervisor

INDEPENDENCE DAY PARADE 2022

Historical perspective

Mill Race Village preserves past of Northville community

When the period costumed members of the Northville Historical Society appear as part of the 4th of July parade, it is usually to loud applause from the crowds who line the streets.

They are the historians of the Northville area and preserve the cherished beginnings of the city and township at Mill Race Historical Village. Created in 1972 by the Northville Historical Society, Mill Race Village serves as a unique focal point of the Northville community.

A living museum, the village was

built on land donated to the City of Northville by the Ford Motor Co. Once

the site of a grist mill, the village is now home to a church, gazebo, school,

Restoring Hope | Supporting Change | Improving Lives

Growth Works was established in 1971 and since its inception has continued to provide clients with extraordinary support as they navigate the challenges of substance abuse and juvenile delinquency.

INDEPENDENCE DAY PARADE 2022

rustic wooden bridge, blacksmith shop, general store, interurban train station and several homes reminiscent of an era gone by. The New School Church was built in 1845 by a splinter group of the First Presbyterian Church of Northville. The church exhibits a Greek Revival architectural style with a columned entrance portico. Moved to the Village in 1972, the church is currently a popular venue for meetings, classes and weddings.

Overlooking the Rouge River which flows through the village, is a large gazebo, modeled after a turn of the century version, the gazebo was built in 1979 by high school students. This structure, too, has become a popular place for many couples to exchange vows on their wedding day.

It is the vision of the Northville Historical Society to remain the historic heart of Northville through stewardship of the buildings, artifacts, and grounds of Mill Race Historical Village for generations to come.

The Northville Historical Society is a not-for-profit volunteer organization responsible for the financing and operation of Mill Race Historical Village and preservation of the Northville Archives. All funding is a result of memberships, donations, grants, and society-sponsored events.

The Historical Society is always seeking new members to help support efforts to preserve the village, a 501(c)(3) not for profit organization, the historical society is the sole steward of the village. In addition to the buildings, the society preserves the

community archives, a repository of photographs, letters, journals, maps and other materials pertinent to the history of the Northville community. Membership in the Northville Historical Society is a commitment to preserving the storied history of the community for future generations. Annual memberships begin at \$25 for an individual; \$35 for a family membership of two or more members and \$75 for an organization or business membership.

The village grounds are open year-round, dawn to dusk daily except when there is a private function. As has become a tradition, Mill Race Village will be open to the public immediately following the Independence Day Parade at 215 Griswold St. in Northville.

INDEPENDENCE DAY PARADE 2022

Leading the way New chamber director welcomes parade

When Executive Director of the Northville Chamber of Commerce came on board in February, he had no idea he would be responsible for one of the most popular and cherished traditions in the community.

Organizing the Northville 4th of July Parade, after a 2-year hiatus due to the COVID pandemic, hasn't been an easy task. Wallace, however, did have some inkling of the importance and popularity of the event as he had previously served as vice president of membership at the neighboring Plymouth Chamber of Commerce before leading

the Mt. Pleasant Chamber as president.

The mission at the heart of the organization is the community and business, noted Wallace, and the Northville Chamber has been exemplifying that mission for more than 55 years. The 4th of July Parade is an example of the commitment of the Northville Chamber of Commerce to the entire community, Wallace said.

The Northville Chamber currently supports more than 400 members in a dedicated effort to nurture community ties and business relationships. The

Doug Wallace

Independence Day Parade is only one of the many community efforts of the chamber in the effort to help make Northville a model place to live, work and play, Wallace said.

Farm from page 11

Community Foundation agreed to take over operations of the facility from the State of Michigan. The rebuilding of Maybury Farm has been an ongoing community effort of the 501c3 and is a tribute to the generosity and determination of the community. The fire of unknown origin destroyed the barns, animals and farm equipment. There was no insurance in place to rebuild the popular attraction.

Northville Community Foundation leaders led by then-director Shari Peters began rebuilding efforts including moving two 125-year-old barns onto the property to replace those lost in the fire. The Novi City Council and Toll Brothers made the move of the 40-foot-

high barns possible, along with DTE Energy, AT&T and ITC. The 6-mile journey took 6 long, painstaking hours.

Hundreds upon hundreds of individual and family donors and more than 100 corporations stepped up to help the foundation rebuild Maybury Farm. More than \$1.4 million was raised in

donations of services from local builders, cement contractors, electricians, plumbers, excavators, architects, engineers, corporate leaders, and Toll Brothers. Ford Motor Co. continues to be a great supporter of the farm offering generous help from volunteers.

The farm was reopened to the public

Special limited hours - Call for an appointment

Dr. Glenn M. Young - Optometrist

At Forest Place Optical Dr. Young stresses the Doctor-Patient relationship.

Your appointment will include a Vision Exam and an Eye Health Evaluation.

You will be screened for Glaucoma and Cataracts.

Dr. Young will also look at the health of your Optic Nerve, Retina and Macula.

If a prescription is needed, we want to give you the most clear, comfortable vision for your daily tasks.

in September of 2005 and continues to offer educational programs and activities for all ages. In keeping with the farming history of the community, visitors experience a hands-on working farm filled with livestock, produce and harvested fields. In addition, the farm now features a dedicated children's play area in addition to the barns along with a gift shop and picnic area. There is also a paved parking lot for visitors.

The farm continues to operate on a very slim budget and now houses more than 100 animals and officials said animal feed and upkeep alone cost in excess of \$25,000 annually. Operations are funded without any tax support and depend on the educational programming, admittance fees, fundraisers and donations.

Maybury Farm is located at 50165 Eight Mile Road, a mile and a half west of Beck Road. Visitors are cautioned not to enter Maybury State Park but continue 1/4 mile west to the Maybury Farm entrance.

The farm is usually closed on Mondays and hours vary with the seasons and may change due to inclement weather. For information, call (248) 704-9211.

INDEPENDENCE DAY PARADE 2022

Downtown Development Authority promotes Northville

The 4th of July Parade isn't the only unique attraction offered in the Northville community. Efforts of the Downtown Development Authority to help keep local businesses alive and flourishing during the pandemic have made the streets of downtown Northville a destination for visitors from throughout the area and offer attractions unique to the community.

During the pandemic, as nearly half of businesses in the country failed, the Northville Downtown Development Authority (DDA) efforts proved so successful, several features, including some street closures, will remain in place until Nov. 7 following a recent vote of members of the city council.

”
The purpose
of the DDA
is to enhance
the quality of life
for residents.
”

The purpose of the DDA is to enhance the quality of life for the residents of the greater Northville area through revitalization of the downtown business district. The DDA also acts as an advocate for a safe, clean, and attractive central business district. As part of its mission, the DDA works to

promote economic growth by combining public and private resources to help drive development.

The Northville Downtown Development Authority (DDA) was established by city ordinance nearly 44 years ago in August 1978 under Michigan Public Act 197.

The Authority is permitted to perform activities such as analysis of economic changes taking place in the downtown district; long range planning for the downtown area; land acquisition and improvement; building construction, improvement, rehabilitation, maintenance and operation; and construction and maintenance of public facilities such as sidewalks, parking

lots, streets, street lighting, community centers, and parks.

Currently, Shawn Riley is the chairman of the 11-member DDA; DJ Boyd is vice chairman; Ryan McKindles serves as treasurer and Jessica Howlin is the secretary of the organization

which is funded by a 2-mill property tax. Mayor Brian Turnbull is also a member of the DDA. Members, who serve 4-year-terms, are appointed by the mayor and approved by members of the city council.

The DDA boundaries have been

amended several times over the years and encompass much of the central business district. The current boundaries are Dunlap Street to the north, Cady Street to the south, Wing Street to the west, and Griswold Road to the east.
